Dick Edell

Head Coach
1992 ACC "Coach of the Year"

The season of '92 was a rewarding accomplishment for Edell as he was honored by his selection as the Atlantic Coast Conference "Coach of the Year." The team ranked 4th. in the nation and was selected to represent the Terps in the NCAA tournament for the second straight year and third of the last four years.

This year is Edell's tenth as the Terps' head coach and his 20th. year overall as a head coach as he led the Baltimore U. program four years and Army, seven. His nine years coaching the Red and White marks the second longest tenure of a Terp coach in the long history of Maryland lacrosse, begun in 1924. Only Dr. Jack Faber and Al Heagy coached here longer, 32 years.

The '93 team faces a major challenge with Edell's thoughts that the '92 team was clearly, as a group, the best in nine years at College Park, with each of the ten seniors making an intensive and solid contribution to the program in their career. The returning lettermen and new players must step up to fill mighty big shoes. The '93 roster features 7 seniors, 10 juniors, 11 sophomores and 16 freshmen. Their goal, obviously, will be to win the Atlantic Coast Conference title and selection to the NCAA tournament for the third consecutive year.

In his nine years, Edell has guided the Terps to five NCAA appearances, '86, 87', '87, '91 and '92; three ACC Championships, '85, '87, and '89. His '89 successes brought him his third ACC title and into the NCAA's for the third time in the six years, advancing to the NCAA semi-finals for the second time. For his achievement, he was voted the ACC "Coach of the Year.

The '87 team was ranked #1 in the nation in the final USILA poll and advanced to the NCAA semi-finals, finishing with a 12-1 season. The 1987, 11-0 undefeated regular season wins, were the most since the 11-0 success of the 1953 national championship team, 35 years ago. The #1 ranking marked only the second time in 11 years, 1976, a Terrapin ten was top ranked during the regular season.

Edell came to Maryland in 1984 after seven successful years at Army. His winning tradition has lengthened with his nine-year record: 78-36.

He began his head lacrosse coaching with a four-year stint at the University of Baltimore, 1973-76 and had a 45-23 record. In those four years, he took the team to the NCAA's three times. In 1977, Edell moved on to the United States Military Academy where he would coach the Army ten for seven years, 1977-83. He led the Cadets into the NCAA's four years. He was selected as national Coach of the Year in 1978. His seven-year record was a 73% winning success, 66-24. His 20-year head coaching record while at U. of Baltimore, Army, and Maryland reads 189 wins and 83 losses, a .70% overall winning effort.

He served as President of the U.S. Lacrosse Coaches Association in 1983. He was one of the five finalists for Coach of the Year" in 1987, won by Cornell's Richie Moran, a former star midfielder for the Terrapins.

Edell was a two-time All-American midfielder at Towson State. He graduated in 1967 with a B.S in Physical Education. He later went on to acquire his Master's Degree in Education from Western Maryland (1970) and a Master of Science from Baltimore University, 1976. The 49-year old Edell and his wife of 26 years, Dolores, are the parents of four children, Lisa, 23, Kris, 19; Gregg, 14; and Erin, 10. Lisa and Kris attend Maryland and both have worked with the lacrosse team as student managers. Lisa was a June graduate.

Dave Slafkosky

Assistant Coach

Coach "Slaf" is entering his tenth season as Edell's assistant and right-hand man. When Edell was named head coach of the Terrapins, the only request he made, and insisted upon, before accepting the job was to bring his Army assistant with him. He was Army's defensive coordinator for seven years with Edell at West Point.

After seven years as the Terps' defensive coach, he took over in 1991 heading the offense and will again this year head the development of the offense and all offensive responsibilities. In his seven years as the Terps' defensive coach, his skills were recognized by his peers as one of the very best. His teachings brought all-America and all-star honors to a number of his goalies and close defensemen. During the 1991 "Final Four" season, he put together one of the most powerful offensive forces that produced 187 goals and a pair of attack all-Americans, Mark Douglas and Rob Wurzburger. They combined for 96 goals as they broke all time scoring records and records for goals scored in a single season. Wurzburger claimed the career scoring mark while Douglas set the goal scoring record for a single season.

A 1974 graduate of the Johns Hopkins University, Dave was a midfielder for the Blue Jays and helped lead them to the NCAA Championship.

Dave and his wife Michelle, have four children: Daniel, 12; Sarah, 9; Kevin 5; and Alex, born Christmas Eve of 1990.

Fred Kramer

Assistant Coach

When the job as the Terps' goalie coach became available after two-year coach Tommy McClelland took over the head coaching job at Fairfield (CT) College, Coach Edell didn't have to conduct a search. He merely called on the popular and well-qualified former Terrapin goalie Fred Kramer to coach the young goalie group. He was the Red and White's net-minder three years, 1971-73, He graduated in 1974 with a Bachelor's Degree in Physical Education and Recreation.

Following graduation, his coach Buddy Beardmore appointed Fred to his staff to work with the defense and coach the goalies. He served as coach, 1974-77, In those four years, the Terps won a National Championship, were runners-up twice, and a semi-finalist, once,

During the long time from 1981 through last season, '92, Kramer was an assistant coach at his alma mater, St. Mary's High School, coaching the goalies and serving as instruting the other defensive responsibilities. This assignment at St, Mary's was part-time inasmuch as he has been employed the past 15 years as a recreation administrator for the City of Annapolis Recreation and Parks Department,

He was a 1968 St. Mary's High graduate, In '70, he was the goal keeper on the 3rd. place Anne Arundel Community College team in the NJCCA Lacrosse tournament,

He received recent recognition for his lacrosse contributions to the community and state as he was inducted into the St. Mary's High School Athletic Hall of Fame, Saturday, March 6,

He and his wife Midge are the parents of two children, Kristin, 13, and Darren, 11.
